

الاتحاد المصري لرياضات الغوص والإنقاذ
EGYPTIAN UNDERWATER SPORTS FED

From: Gen. Mohamed Yousry Dawoud "President of EUSF"

Concern: Instructions

Date: 29/12/1999

Dear Sir,

The Egyptian Underwater Sports Federation (EUSF) is pleased to send to you best regards. According to the instructions issued by EUSF to you, we would like to inform you that after agreeing with Diving Center League in Sharm El-Sheikh and the recommendations of the conference held in Red Sea Governorate on 04/07/1999 with presidency Dr. Minister of Tourism, Dr. Minister of Environment, Gen Sa'ad Abou Reda "Governor of Red Sea" and Gen. President of EUSF "Reporter of Conference". This is to execute the instructions of safety and security according to the decision Dr. Minister of Tourism No. 99 for the year 1999, Article 5 that obliges the diving centers to execute the instructions issued by EUSF.

Therefore, we want to confirm these instructions for safety of divers as follows:

- 1- The divers must have an effective international license, recognized by EUSF, issued by the international organizations such as (CMAS - PADI - NAUI - SSI - BSAI - NASE).
- 2- The most depth 30m.
- 3- No diving alone.
- 4- No passing the limited schedules of nitrogen.
- 5- The guide is the only responsible for the launch and his instructions must be obeyed.
- 6- Each diver must check on his equipment either his personal or rental ones before using it in diving.
- 7- It is necessary that there is a air and depth measure, a spare breath hose and B C.

- 8- If there was 30 – 50 par in the air cylinder, you must ascend on the surface.
- 9- No fish spearing, dieling fish or touching and collecting the reef.
- 10- Any diver who hasn't lived more than one year ago or has less than 20 dives, he has to dive with an instructor to make sure his standard.
- 11- Any dive or snorkeling activities have to be by the diving centers authorized by EUSF.
- 12- The diving center has to hang the license of EUSF and any license of another international organization such as SSI – CMAS – PADI in clear place. The center mustn't announce any organization except that it's a member in it so that it doesn't be exposed to the criminal law.
- 13- It's necessary that you check on the medical standard and certificates of the divers and visitors who are entitled to dive.
- 14- If there is a diving accident, you have to inform EUSF within 48 hours by a fax. We would like you to take care the technical standard of the managers, assistants and guides to face the diving accidents especially the experience and good behavior if there's any diving accident.

Finally, we would like you to be obliged these instructions to maintain the safety and security of the divers.

Thanks & Best Regards

Gen. Mohamed Yousry Davroud
"President of EUSF"

**Cabinet Of ministers
EEAA
Red Sea Island Protected Area**

Dear sirs,

Please be advised that the following regulation should be respected for the conservation of natural resources within your property and its adjacent areas, including the setback and the sea.
These regulation are as follow:
